My excuse answers

Pick your answer ahead of time, so you can skip the debate.

"I'll do it tomorrow."	*I do the floor version right now. It takes 5 minutes, and tomorrow gets easier.*
"I already missed a few days."	*Today is day one again. I do today's floor and keep going.*
"I don't have time for the whole thing."	*I do the floor. The whole thing can wait for a bigger day.*
"I need to plan it all out first."	*I take the next step with what I know. The plan can fill in as I go.*
"I'm too tired."	*I do the smallest version, then rest. Both count.*

THIS WEEK **1** Weekly reset on my sort day **2** Run my first system for two weeks **3** Hard day? Floor first.
